ABOUT ME

I'm eager to immerse myself in the dynamic fields of graphic design and motion graphics. I possess a strong foundation in visual communication principles and am actively developing proficiency in industry-standard software such as [software like Adobe Photoshop, Illustrator, After Effects]. I'm passionate about crafting compelling visuals and bringing static designs to life through engaging animations. With a keen eye for detail, a strong work ethic, and a thirst for knowledge, I'm seeking an opportunity to contribute fresh perspectives and learn from experienced professionals in a collaborative environment. I'm excited to apply my creativity and contribute to impactful visual projects.
