

Sagar Ravindra Garud

Frontend / Full Stack Developer

Pune, India | 9356805322 | sagargarud967@gmail.com

Professional Summary

Frontend / Full Stack Developer with 2 years of experience working on enterprise applications for global clients like Procter & Gamble (P&G). Hands-on experience with modern frontend frameworks, backend APIs, databases, and collaborative development tools. Immediate joiner.

Technical Skills

- Frontend: React.js, React Native with Expo, JavaScript (ES6+), HTML5, CSS3
- Backend: Node.js (Express or similar frameworks), REST / GraphQL APIs
- Databases: SQL (MySQL / PostgreSQL) and NoSQL (MongoDB / Redis)
- Strong experience working with Figma to implement designs accurately
- Proficiency with Git and collaborative tools (Asana, Slack, code versioning workflows)
- Understanding of responsive design, cross-browser compatibility, and accessibility
- Familiarity with state management tools (Redux, Context API)
- Ability to work independently in a startup environment and take ownership of features end-to-end

Professional Experience

Engineer – Full Stack Developer

MSE Technology, Pune | Feb 2024 To Nov 2025

Project: Business Operation Portal (BOP) – Procter & Gamble

- The Business Operation Portal (BOP) was developed to manage large-scale business operations for P&G.
- One of the key functionalities was generating and managing unique codes (up to 5 million at a time) for printing on Pampers diaper packaging.
- These codes were critical for bag suppliers and downstream supply chain operations, Requirements were managed in Azure Boards as part of the Scrum process.

Project: Zendesk Sidebar Application – Procter & Gamble

- Built and integrated a Sidebar App within the Zendesk system for GCR agents handling customer issues related to Pampers orders.
- The app enabled agents to quickly search for customers and view their order history, reward points, and allocation details.
- A key contribution was developing a search by Device ID feature, widely used by agents and highly appreciated by the client for improving efficiency.

Educational Qualification

- BE (Bachelors of Engineering), (June 2020) in SSBT College of Engineering Jalgaon with 8.72 CGPA.
- H.S.C (June 2019) from Maharashtra State Board with 57.85%.
- S.S.C (June 2017) from Maharashtra State Board with 77.40%.

Hobbies

- Watching Cricket
- Reading English Moral Story
- Learning Various Languages Technology
