## EXPERIENCES

### E-TUITIONS LEARNING PVT LTD

**GRAPHIC DESIGNER** JAN 2024-NOV 2025

As a graphic designer, I excel in video editing, graphic design, motion graphics, & UI design. I craft visually captivating topical posts, web banners, & ads tailored for social media platforms, often integrating dynamic motion graphics. While UI design is my primary focus, I'm committed to continuous learning & enhancement in this field, ensuring my skills remain up-to-date and versatile.

### SPOXTALE DIGITECH PVT LTD

**GRAPHIC DESIGNER** APR 23 TO NOV 23

In my 8 months as a graphic designer, video editor, & motion graphics artist, I've primarily focused on graphic design tasks such as flyers, banners, brochures, book covers, product & filler posts, topical posts, visiting & invitation cards, logos, standees, & collages. For video editing & motion graphics, my main projects have included reels, videos, storyline videos, filler videos, and topical videos.

### BRAND BUCKET MARKED

**VIDEO EDITOR** OCT 19 TO MAY 22

As a video editor, my primary focus was on creating YouTube content, particularly mystery facts videos, leveraging my expertise in motion graphics and VFX. Alongside, I possess essential graphic design skills. With 2.6 years of experience, I bring a solid foundation in crafting engaging visual narratives for online audiences.
