Mobile No: +91 9060519532

Address: H.NO-B-55, Third Floor, Thokar No-7
Shaheen Bagh Abul fazal enclave Part-2, Jamia
Nagar New Delhi-110025.

CAREER OBJECTIVE

Motivated and detail-oriented Full Stack Developer with expertise in designing, developing, and deploying scalable web applications. Skilled in front-end technologies (React, HTML, CSS, JavaScript) and back-end frameworks (Node.js, Python, Java, Spring Boot) with hands-on experience in database management (MongoDB, MySQL) and cloud platforms (Cloudinary). Adapt at building responsive user interfaces, optimizing server-side performance, and implementing secure APIs. Seeking to leverage technical proficiency and problem-solving skills to contribute to innovative projects in a dynamic organization, while continuously enhancing knowledge of modern development tools and practices.

PROFESSIONAL SKILLS:

- Full-Stack Development (MERN Stack)
- UI/UX Enhancement
- Authentication & Real-Time Systems
- Backend Architecture
- Cross-Functional Collaboration
- Performance Optimization
- Microsoft Office

WORK EXPERIENCE:

1. **Full Stack Developer (MERN) | SSB Digital India Pvt Ltd.**
Noida, India | November 2024 – Till Date.

Responsibility-

- 1 years of hands-on experience in full-stack development using MongoDB, Express.js, React.js, and Node.js.
- Design, develop, and maintain full-stack web applications using MongoDB, Express.js, React.js, and Node.js, ensuring high performance and responsiveness.
- Collaborate with UI/UX designers, product managers, and backend teams to translate requirements into scalable and efficient technical solutions.
- Write clean, reusable code, perform code reviews, optimize application performance, and troubleshoot issues throughout the development lifecycle.
- Implement APIs, manage database interactions, ensure application security, and support continuous integration and deployment practices.
- Demonstrated proficiency in multiple programming languages including JavaScript, C, C++, and SQL for developing efficient and scalable applications
- Applied expertise in front-end frameworks (React) and back-end frameworks (Express.js) to build responsive, dynamic, and secure web solutions
- Experienced in working with databases (SQL & NoSQL), designing and consuming RESTful APIs, and leveraging cloud services (AWS, VPS Server) for deployment and scalability.
- Good knowledge of API design, authentication mechanisms, and data security.
- Strong debugging, problem-solving, and analytical skills.

- Experience with React Hooks, Redux, or Context API.

2. Full Stack Developer (MERN) | Techizebuilder Web Solutions.

Gurgaon, India | April 2024 – October 2024.

Responsibility-

- Developed scalable web applications leveraging the MERN stack, delivering RESTful APIs that efficiently handled 10,000+ daily requests and implemented robust user authentication for 5,000+ active users.
- Collaborated with a cross-functional team of 10 members to gather requirements, translate them into technical specifications, and deploy applications across multiple platforms, reducing deployment time by 20%.
- Spearheaded Agile development processes across 3 projects, including sprint planning, daily stand-ups, and code reviews, achieving a 15% reduction in project completion time and maintaining a 98% code quality compliance rate.
- Optimized MongoDB and MySQL database schemas, improving data retrieval performance by 40% and supporting a user base of 20,000+ through advanced query optimization and indexing strategies.

ACADEMIC QUALIFICATION:

SL NO	Certificate Awarded	College/Board	Year of passing	Cumulative % Marks.
1.	Bachelor of science in Information Technology (B.SC IT)	Magadh University, Gaya	2024	80.60 %
2.	Intermediate of science (12 th)	JAC, Ranchi	2020	81.60 %
3.	Matriculation(10 th)	JAC, Ranchi	2018	82.40 %

PROJECT DETAILS:

Project	Tech Stack	Highlights / Achievements	Live Link
<u>Study Notion</u>	ReactJS, NodeJS, ExpressJS, MongoDB, Tailwind CSS, Redux Toolkit	EdTech platform for courses & enrollment; Razorpay integration; Cloudinary media storage; 100+ users; 500+ monthly transactions; 50% faster data retrieval; zero data breaches	https://study-notion-eosin.vercel.app/
<u>Pixza</u>	NextJS, Tailwind CSS, MongoDB, Redux Toolkit	Online food delivery app; secure auth & cart; real-time order tracking; 50+ users; 30% faster load times; 20% more repeat orders; 95% user satisfaction	https://pixza-an-online-food-delivery-platform.vercel.app/

DEVELOPER TOOLS:

SL NO	Category	Tool Mentioned
1	Code Editor	VS Code
2	Version Control	Git, GitHub
3	API Testing	Postman
4	Deployment Platforms	Vercel, Netlify, Render
5	Server Management	VPS (Linux Server), Nginx

CERTIFICATION:

1. Full Stack Web Developer
2. React Developer

PERSONAL DETAILS:

Father's Name : Muzaffar Hussain
Date of birth : 25 January 2003
Gender : Male
Nationality : Indian
Marital Status : Unmarried
Languages Known : English & Hindi
Hobbies : Listening Songs and surfing the internet

Place: New Delhi
Date:

Signature:
