## EXPERIENCE

---

**Full Stack Developer** Jul '24 — Present

Edu-Visor Delhi, India

- Designed and developed responsive web applications and websites for multiple clients, ensuring optimized performance, cross-browser compatibility, and mobile-first design.
- Developed professional & responsive **React.js user interfaces** using **Core CSS, SASS, Tailwind CSS, and Bootstrap**.
- Designed and developed dynamic, reusable **React.js components** with **Redux-driven state management** to ensure scalability, performance, and maintainability.
- Designed, developed, and integrated **RESTful APIs** to deliver scalable, high-performance application features.

## PROJECTS

---

**National Healthcare Providers Registry** [Link](#)

- **NHPR (National Healthcare Professional Registry)** is a digital platform designed to bridge the gap between patients, doctors, and healthcare facilities.
- Its core goal is to **digitize healthcare and simplify access** to quality services.
- One of the key features of NHPR is its **verified database of healthcare professionals**, ensuring that patients connect only with trusted and authentic providers.

**Business Over Brunch** [Link](#)

- **BOB (Business Oriented Bridge)** is a networking platform group started by women entrepreneurs. Its main goal is to **support and connect women in business**.
- BOB helps women entrepreneurs by creating opportunities for **learning, collaboration, and mentorship**, so they can overcome challenges and find new business opportunities.
- Through community events and workshops, it **empowers women to support, motivate and inspire** each other.

**EDRISE GLOBAL SOLUTIONS** [Link](#)

- **EDRISE GLOBAL SOLUTIONS** is a privately owned IT support and services company that helps businesses use technology in smarter and more effective ways.
- The main goal of EDRISE GLOBAL SOLUTIONS is to **make technology work for businesses**.
- EDRISE GLOBAL SOLUTIONS offers a wide range of services, **including IT support, cloud solutions, cybersecurity, and business consulting**.

## **Carot (UNO Minda) [Link](#)**

- Developed and integrated new responsive UI features to enhance user experience and align with evolving product requirements.
- Identified, debugged, and resolved complex frontend issues, improving application performance and usability.

## **Others | WordPress**

Developed and customized websites for clients including:

- IfsTherapy <https://ifstherapywithsakshi.com/>
