VIKRUTI

JEWELS

INTRODUCTION VIKRUTI

Where elegance meets artistry in the world of fine jewellery. **Vikruti** is an Indian brand built on the values of timeless design and refined craftsmanship. Each piece is carefully curated to blend tradition with modern aesthetics, creating jewellery that feels both classic and contemporary.

Specializing in minimal gold-inspired designs, **Vikruti** reflects sophistication through simplicity — redefining modern adornment with a graceful, confident touch.

BIG IDEA

Inspired by Goddess Lakshmi, the symbol of wealth, prosperity, and abundance, Vikruti represents more than just jewellery. The name reflects a vision of strength, beauty, and positive transformation, creating designs that empower the modern woman.

A black and white advertisement for Apple AirPods Pro. At the top center is the Apple logo above the text "AirPods Pro". Below the text is a description: "Active Noise Cancellation with transparency mode, sweat and water resistance, and a customizable fit." In the center is a close-up image of the AirPods Pro earbuds and their charging case. On the left side, there is a vertical column of text: "Magical experience", "Simplicity from start to Siri", and a paragraph about connecting to an iPhone. On the right side, there is another vertical column of text: "Active Noise Cancellation Sounds that cuts out the noise.", "Wireless, Effortless, Magical.", and a paragraph introducing the combination of simplicity and technology. The background features a dark, minimalist design with vertical light streaks.

Magical experience

Simplicity from start to Siri

Connecting to your iPhone is effortless. And you can share a song between two sets of Airpods, or even have Siri to announce your messages.

Active Noise Cancellation

Sounds that cuts out the noise.

Wireless, Effortless, Magical. Introducing Airpods Simplicity and technology, together like never before.
