Residence: Noida Extension

Summary

I specialize in Digital Media design and have a keen interest in UI/UX design. With a strong focus on innovation and aesthetics, I strive to create visually engaging and user-centered designs. I am always eager to learn and explore new design trends, and I aim to contribute fresh and impactful solutions to the design community. While I m a fresher in the industry, I ve gained hands-on experience through multiple college and personal projects. These have helped me apply core UI/UX principles and build a strong foundation in user-centered design.
